

Brentwood Borough Council would like to advise that there has been a recent amendment to the current allocations policy in regard which means Housing and Transfer Applicants may now express an interest for properties that are one bedroom beneath their assessed need.

For example:

- Those with a 3 bed need may now express an interest in a 2 or 3 bed property.
- Those with a 2 bed need may now express an interest in a 1 or 2 bed property.
- Those with a 1 bed need may now express an interest in a bedsit or 1 bed property.

This is subject to you not having more than the maximum number of persons in your household for the advertised property. The maximum number is shown on each advert.
